

# LIGHT THE CANNONS

## **Biography**

Light The Cannons are a four-piece alternative rock band from across Europe, based in Hamburg, Germany. Channeling diverse lyrical themes through an equally colorful musical palette, Light The Cannons deliver catchy songs with anthemic choruses, all filtered through a healthy dose of dark humor and pop sensibilities.

The band was founded in 2020 by Chris, a British guitarist and songwriter who has found his new home in Hamburg. Today the band consists of drummer Henry (UK), singer Anni (Germany) and bassist Serena (Italy). Light the Cannons are known for their energetic stage performances and their inclusive and open attitude towards music and creativity.

You can look forward to powerful vocals, heavy guitar and bass riffs, fiery drums and lyrics that deal with mental health, consumerism, sometimes love (and sometimes heartbreak) and much more. The band's live shows are characterized by friendship, openness and a good dose of humour as well as a clear love for the musical craft.
